**PINEVILLE INDEPENDENT SCHOOL DISTRICT
LOCAL/STATE BOARD FACILITIES HEARING REPORT
AMENDMENT No. 1**

A Local/State public hearing was held at the Local Board Office of the Pineville Independent School Board Office on October 2, 2008, at 5:30 p.m. The purpose of the public hearing was to propose an amendment to the District Facility Plan developed by the Pineville Independent Local Planning Committee. The Local Planning Committee (LPC) voted 11-0 in favor of the proposed amended plan and the Pineville Board voted 5-0 to approve the amendment.

In addition to Diana Schott Lincks, the Hearing Officer, and Mr. Michael White, Superintendent, there were two (2) individuals in attendance – Mr. William R. Lincks and Mrs. Diana Anderson.

COMMENTS

Mr. White called the public hearing to order and turned the meeting over to the hearing officer. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 4:180. It was noted that anyone wishing to make any statement (verbal or written) would be given the opportunity to do so. It was also indicated that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed amendment to the District Facility Plan that includes: **major renovation in the 1970 building needed to complete the areas of the building not addressed in the 1993 renovation to include interior finishes, doors, windows, HVAC, and lighting and major renovation in the 1993 building section to include roof replacement, ADA toilet renovation and construction of one gym.**

The floor was opened to those who wished to make a statement. None were made, nor were any comments offered in written form. As no comments were forthcoming, the end of this portion of the facility planning process was brought to a close when Mrs. Lincks adjourned the hearing.

RECOMMENDATIONS

It is recommended that the Amended District Facility Plan developed by the Pineville Independent Local Planning Committee and adopted by the Pineville Independent Board of Education be approved as the District Facility Plan for the Pineville Independent School District.
